Jordans Picture House

"Eddie the Eagle" (2016, PG-13) Friday 10th March 2017

Doors Open 19:15, Feature starts 20:00

After "Florence Foster Jenkins" in December – another performer where ambition outstripped both talent and ability – we were determined to finish our Season on a high with "Eddie the Eagle". Eddie spectacularly snatched the victory from the jaws of Olympic defeat.

One succinct review sums it up:- "A movie based on a true story of the first (British) Olympic ski jumper that was well done. A film that explains what it means to be fearless and courageous. I give it nine out of ten for being a well-placed fun movie for the entire family."

(Gravel Inspector/in The Guardian)

Other reviewers are equally enthusiastic:-

"Inspired by true events, Eddie the Eagle is a feel-good story about Michael "Eddie"

Edwards (Taron Egerton), an unlikely but courageous British ski-jumper who never stopped believing in himself - even as an entire nation was counting him out. With the help of a rebellious and charismatic coach (played by Hugh Jackman), Eddie takes on the establishment and wins the hearts of sports fans around the world by making an improbable and historic showing at the 1988 Calgary Winter Olympics. From producers of Kingsman:

The Secret Service, Eddie the Eagle stars Taron Egerton as Eddie, the loveable underdog with a never say die attitude." Source: Rotten Tomatoes

"They say that God loves a trier. If that's true then Eddie "the Eagle" Edwards will be guaranteed a seat at Heaven's top table when he eventually skids off his mortal coil. Yet encapsulating the typical British approach to sport, Edwards charged on optimistically against all likelihood of victory and came home a hero, no medals weighing him down as he was hoisted on the nation's collective shoulder. Dexter Fletcher has turned Edwards' story into a comedy of soaring delights, a sports movie where it's genuinely the taking part that counts." Source: Empire

We hope to finish with another full house. This will be the last film of the 2016/17 season and the Working Group of Jordans Picture House has genuinely enjoyed bringing you a selection of films which seem to have been well received. The uncertainty of the Pilot is well behind us and we are all confident of a bright future. In March we will be told of the outcome of our application for a grant for equipment from the British Film Institute but whatever the outcome of that bid we are confident of your support. We are already looking forward to making our next season even more memorable. All the best for the summer.

On arrival drinks, snacks and ice creams will be on sale.

Jordans Village Community Store becomes a collection point for Slough Foodbank

Jordans Picture House will be screening "I, Daniel Blake" on February 10th. In the film there is a very powerful sequence demonstrating the vital importance of Food Banks to the very poorest in our society. In order to demonstrate our support as from February 2017, Jordans Village Community Store will act as a collection point for Slough Foodbank. Customers in the Store will be able to buy food which will be taken to Slough Foodbank on a regular basis by a

volunteer.

Foodbanks are now an essential part of the support system for people who are facing a food crisis which may have been caused by a number of reasons such as ill health, unemployment, and fluctuating incomes caused by reductions in working hours as a result of the recession or zero hours contracts. Changes to the benefit system, delays to benefit payments or benefits being cut or stopped are the most common cause of foodbank use in the UK.

Slough Foodbank, seeded by the Trussell Trust, provides 3 days' supply of non-perishable food to help people in food crisis. People who come to the Slough Foodbank are first of all assessed and then referred to Slough by one of over 100 local professional agencies. The voucher system is designed to support people for up to 10 days with 3 vouchers each providing 3 days' supply. Usually this is sufficient. 60% of Slough Foodbank clients only visit once!

However, often the delay in resolving benefits issues takes significantly longer than 10 days so the Foodbank, in discussion with the referral agency, will offer longer term support where necessary. In the past 12 months Slough Foodbank has helped over 3,100 people. In addition to providing emergency food supplies, Foodbank volunteers will be able to suggest other organisations to help solve longer term problems.

The Trussell Trust partners with communities and churches to open foodbanks and has now launched 428. Over a million people in the UK are currently using Foodbanks.

The following foods are currently required by Slough Food Bank:-

- Tinned Fruit in Juice (not syrup)
- Sponge puddings
- Individual pots of long life rice puddings
- Custard
- Jelly
- 70% chocolate
- Tinned Tuna in spring water (not oil)

It is salutary to reflect that many hundreds of thousands of people in the UK have little or very low levels of savings and it is calculated that in the event of a loss of a job could find themselves homeless in 3 months. There but for the Grace of God....

THANK YOU FOR YOUR SUPPORT

Update from the Jordans Village Hall Trust

A big thank you to everyone who has donated to the Village Hall Pioneer Appeal. This appeal is raising funds for feasibility and design on renovating or rebuilding our loved-but-tired hall.

With a target of £10,000, £7,175 has been raised so far. This will be £8,815 after Gift Aid so we are getting there! £300 of this came from the recent Jordans Village Concerts - thank you - and a lot from individual donations, for which we are very grateful indeed.

We'd also like to remind you about membership of the Jordans Village Hall Trust charity. The best way to stay updated on progress of the renewal project and to show your support is by becoming a member. It doesn't cost anything to join and forms are available from the Estate Office or by emailing andy.bonsall@gmail.com.

Finally, can you help us meet the £10,000 Pioneer Appeal target? We are close but still looking for donations of any size to get over the line. You can give a cheque to Chris in the Estate Office or donate online at www.goldengiving.com/wall/jordans-village-hall-trust

Thank you, from all connected with the Village Hall.

I came across these beautiful woodcuts by Ellinor & Stanley Weddle in the Estate Office, showing some images of Jordans, and thought I would share them with you. (*Editor*).
