June 2024

www.jordansvillage.co.uk

Welcome to the June edition of your community newsletter!

It's that time of the year again and [Jordans Village Fair](#) is only a week away! Come along to our Village Green for an afternoon of traditional family fun on Saturday 8th June from 2pm to 5pm! The [TMC really needs some more volunteers](#) and raffle donations so if you can spare an hour then pop into the Village Store and put your name down.

I have to admit - I slept right through it! But fortunately Zoe Duncan captured some incredible images of the aurora borealis, a dazzlingly beautiful display of natural beauty right over the Village Store on the night of the 10th May. Surely that's sorted out the image for the Village Store's Christmas Cards this year?!

There are several concerts coming up in June and July, and of course Music on the Green is only a month away. Read on for details!

TMC NEWS

JORDANS VILLAGE FAIR - SATURDAY 8TH JUNE

Please check out the volunteer board which is in the Village Store, and sign up as we need as much help as we can get on the day, as well as on the preceding Thursday and Friday evenings to set up marquees, move tables and chairs from the Hall to the Green for teas and set up the arena for country dancing and the dog show. We would love to see some families coming along to help and get involved with preparations, which really adds to the excitement!

We still need a few raffle prizes; there has been a great response so far to Anne's plea for donations to the Tombola in the Store. Thank you to all who have contributed a bottle for the Tombola so far. Raffle Prizes could be anything, perhaps the offer of a Silent Auction pledge of mowing a lawn,

baby sitting, a lift somewhere - it does not have to be a big expensive pledge, just anything you can offer really. It means a lot to us and enables us to put on our Events like the family Sports Day, family Christmas Party and our magical Music on the Green Picnic!

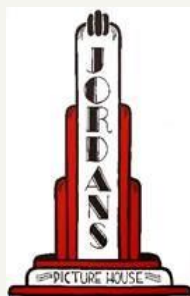

So please sign up to help on a stall, bake cakes for the Cake and Tea tent - it means so much to us! I really hate asking! We as a team work very hard to make these events happen but it wouldn't be the same without your input and help....thank you! Anything you are able to donate can be left in the Village Store as they are open to helping us.

Jordans Horticultural Society

News from Jordans Horticultural Society

A massive thank you to everyone who donated or bought plants at our plant sale last month! We raised just under £300 which we will put towards running the **Flower & Produce Show on Sunday 15th September - SAVE THE DATE!**

The Plant Sale only sells plants donated by you (we don't supplement with bought in plants from a nursery) and despite the cold start to the growing season you donated over five tables' worth of excellent quality, interesting annuals, perennials, vegetables and herbs. Great plants at bargain prices that were snapped up by new and experienced gardeners - it's the plant sale to know about :-)

The few left over plants were donated to Seer Green Gardeners' Plant Sale the following day and

we were pleased to collaborate on the Open Garden event. Thank you to Sue and Ray Edwards for opening their garden - it was the perfect meadow filled setting for a glorious Sunday afternoon. We hope to do more Open Gardens in the future, after all there are so many excellent gardeners in this village - so watch this space!

Jordans Biodiversity Project

Update on managing Manor Farm Field North to support biodiversity

We are very pleased to announce that our project has received support from both the Bucks Community Board and Chiltern Conservation Board! Their funding awards enable us to begin some significant work on the field this year. Things to look out for over the Summer:

- We will be fixing the gate and installing new fencing which will protect a new scalloped edge intermediate habitat from future grazing (the scalloped edge will be planted in the winter)
- We have been disappointed that the field hasn't been grazed in early Summer this year but the funding allows us to do a hay cut. This is needed to reduce the height of the grasses so that other plants can compete and also removes the grasses' biomass which would add further fertility to the soil (we need to reduce the fertility to favour naturally occurring plants rather than the crop of rye grass that makes up much of the field currently).
- We've had mixed success with the wildflower seed sown last autumn - perhaps when the grass is cut you may get a glimpse of corncockles, yellow rattle and the odd poppy!
- Our butterfly surveys to date have recorded very few species: Peacocks in April, an Orange Tip, Small Heath and some Whites in May. It's a stark reminder why landscape restoration is so important to create the habitats that enable local biodiversity to flourish.

Six Inches of Soil Film Screening

Final few tickets remaining for this inspiring film screening on Tuesday 4th June!

We are delighted to be joining forces with Jordans Picture House to show this exciting new documentary telling the inspiring story of young British farmers standing up against the industrial food system and transforming the way they produce food.

Jordans Environment Trust

Jordans Environment Trust (or JET for short) regularly donates to projects around Jordans which help to enhance our natural environment, for example trees planted at Chelsey Garden Cottages, and most recently the planting project at Cherry Tree Corner (as reported in the May 2024 newsletter).

Jordans Environment Trust has just launched its own website: www.jordansenvironmenttrust.org.uk

It is relatively simple as they are still developing it but please take a look and perhaps you might like to get involved.

Jordans Village Hall Trust

The month of May has ended with excitement for the Trustees of Jordans Village Hall Trust (JVHT). On the back of the very well received Presentation of the Proposal for the new Village

Hall significant interest has been shown in this venture and a pledge of a considerable amount received.

I take the opportunity to thank you all who are getting behind this venture in any way that you feel able.

The JVHT Fund Raising Committee is forging ahead with plans for the forthcoming months and be assured you will be kept updated with their activities.

Now I simply invite you to watch the video of the Presentation, to take time to read The Proposal Document and perhaps take action to support financially this amazing project. Undoubtedly this is the most significant venture for our Village since its founding and the construction of the 'temporary' Village Hall in 1919.

WAYS TO DONATE

If you feel able to make a pledge or a donation please contact JVHT Treasurer in confidence (Chris Waymouth) on 07831 309379.

Thank you all
Ali Cork - Chair JVHT

You can watch the Presentation on YouTube by clicking this link <https://youtu.be/6wLGOlx6g4w>, or by clicking on the embedded video below. I do hope you enjoy watching it and also going through the Proposal Document which you can [download by clicking here](#).

Both of these are also available on a new page on the Village Hall website: www.jordansvillagehall.co.uk/thenewhall.html

Jordans Village School celebrates its 80th Birthday

Jordans School

80th Birthday Celebrations

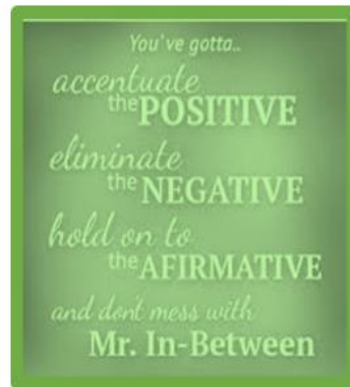

Wow! What fun we had when we celebrated the 80th birthday of Jordans School. As our school opened its doors in 1944, the staff and lots of the children celebrated by dressing in 1940s fashions. We had a whole school photograph taken to mark the momentous occasion. The children made birthday cards, timeline bookmarks and bread pudding— following a 1944 recipe. We had a visit from one of our village friends, Nigel Morgan, who attended Jordans School soon after it opened. Another neighbour, Mrs. Cavett played Happy Birthday on the piano and we all sang along. A kind parent created cushions as a birthday gift using the children's handprint shapes and pre-loved uniform material. Our children shared stories from their grandparents' / great-grandparents' time in the 1940s and we looked at some incredible artefacts including ration and coupon books. We sang our 1944 song, Accentuate the Positive and listened to 1940s music whilst eating a delicious 'afternoon tea' picnic lunch, complete with birthday cake.

Later that week, we continued celebrations at our Bluebell Fair.

Thank you to our village friends, school families and past pupils for coming along.

*We have been learning a song for the 80th Birthday of Jordans School.
The school was built in 1944 and this song was published in 1944 too!
It is perfect for our growth mindset approaches and our positivity.*

Accentuate the Positive

You got to ac-cent-tchu-ate the positive
E-lim-i-nate the negative
And latch on to the affirmative
Don't mess with Mr. In-between
You got to spread joy up to the maximum
Bring gloom down to the minimum
And have faith, or pandemonium
Liable to walk upon the scene
To illustrate his last remark
Jonah in the whale, Noah in the ark
What did they do, just when everything looked so dark?
Man, they said we better ac-cent-tchu-ate the positive
E-lim-i-nate the negative
And latch on to the affirmative
Don't mess with Mr. In-between
No, do not mess with Mister In-Between

What does it take to raise a Village?

I received this message from Alan Sealy, containing a thoughtful message by Yulia Fedorenko, which seemed to draw many parallels with our own village, and I thought it was worth sharing
- Ed

"Hi Chris,

Yulia Fedorenko is the wife of Michael Johnson, who happened to be the Minister at St Thomas's Church in Holtspur. They used to bring their daughters to Jordans School for a couple of years. They have since moved to Cornwall. Yulia and Michael loved Jordans and had a very high regard for the school.

Originally Yulia came from Ukraine and she still has family there. Yulia posted the attached on Linked in and thought it might, at least, be of interest to you and might provide some material for editorial comment.

Kind regards,
Alan"

"If it takes a village to raise a child, what does it take to raise a village?" 🗨️

This is the question which struck me when I was listening to Cormac Russell in his Plenary Presentation Healthy Quality BC. We all know that "it takes a village to raise a child". And being a mum to young children myself, I quite like to joke with other mums, "But where is that village?" 🤔
Is it a joke or not?

I grew up in a city, where there are vague boundaries, so the community feeling almost doesn't exist. 🏠 Neighbours don't know each other. Children belong to their families (ideally) and to official institutions (school, clubs) but not so much to organic wider communities.

I had a happy childhood nonetheless, but that feeling of community support, care and belonging was lacking. In the last 10 years, I had the privilege of living in 3 different smaller communities. 🏡 It took me a while to warm up and now I can't overestimate the benefits of belonging to a community. 🧠 Coping with social isolation and anxiety, compassion, self-actualisation, strong personal connections - these aspects of mental health benefit so much from that sense of belonging.

It might be a village or not. But raising a healthy minded community would be beneficial for young and old, for the healthy and the sick, for the successful as well as those who are struggling. And when a community becomes a reference group for a child, young person or an adult, it will improve the mental health of individuals as well as society.

! ? What does it take to raise 'a village' in your opinion? 📌
